

Optical Illusion

The background of the slide features a soft-focus image of calligraphy tools and a drawing. On the left, a portion of a silver and yellow Pilot Parallel Pen is visible. In the center, a yellow highlighter lies horizontally. Below these, a white sheet of paper is shown with several orange ink splatters and a faint, light-colored drawing of a woman's legs in high-heeled shoes. The drawing is positioned such that it appears to be part of the overall composition, possibly illustrating the concept of optical illusion mentioned in the title.

Workshop tools and materials:

- Pilot Parallel Pen 3,8 mm with ink any color except white and yellow
- 3 pieces of pencils: 2H, HB, 2B and simple sharpener
- Eraser
- 30 cm ruler
- A4 and A3 sized high quality printer paper
- Mobile phone with camera
- Simple tripod for mobile phone

In addition to above, participant can also bring their other calligraphic tools (brushpen, ink, ruling pen, brush etc.) to use in different projects.
